Darin Schaefer Warrior Fund Application

Darin Schaefer was diagnosed with cancer in June of 2019. Through his battle with cancer he always remained optimistic and full of hope. On a daily basis he was reminded of the support and love received by others. He always felt there were so many going through a much more difficult time than him. He knew he wanted to pay it forward for all the support that people had given him and his family.

Terra, Damon, Kennedy and Kesha are proud to honor his wish by creating the Warrior Fund because there were so many warriors that stood behind them.
